

About our services

We provide advice to our clients on general insurance products, along with personal risk products (life and medical). We help our clients protect their assets to minimise the financial impact to their lives and businesses when things go wrong, along with protecting less tangible assets such as your health and protection of your income.

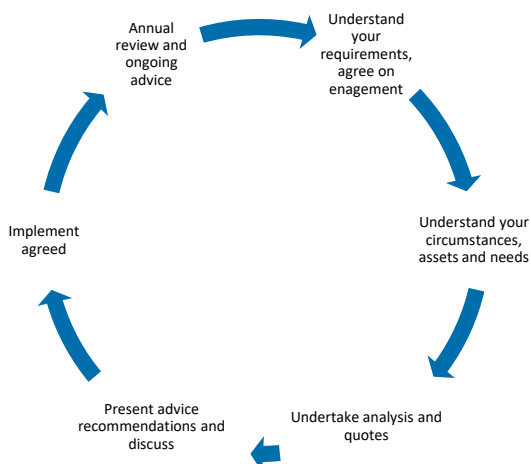

We advise on travel, domestic and commercial products, across various industries as well as risk management practices within your business operations.

Wide range of insurance products and providers

We are not restricted to using any particular insurer, this allows us to compare quotes to provide you the terms best suited to your needs.

We will generally recommend insurance products from insurers we or our broker group, Steadfast, have arrangements with, as the negotiated terms are generally better. We will disclose these arrangements to you when making recommendations.

What we don't advise on

We do not provide advice on mortgages, investments, or any other Financial Advice. We can refer you when you require advice on these products.

Limitations and risks

Insurance cover recommendations will be based on the information you provide and there will be a risk of lack of cover should the information you provide not be accurate.

While our recommendations will be made for your requirements, insurance products can have a number of exclusions that you should be aware of and you must read the policies carefully.

Costs

O'Connor Warren Insurance Brokers and our financial advisers will receive commission (between 5%-40%) from the insurance companies on whose policies we give advice. If you decide to take out a policy, the insurer will pay us commission based on the premium that you pay.

We may charge a fee for the advice given to you, for implementing that advice and for the provision of our ongoing advocacy and management of your insurances. Any fee will be payable on payment of your premium. The amount of any fee will be disclosed either at the time we know the scope and nature of the advice required or when we provide our advice to you.

O'Connor Warren Life and Health does not charge any fee, expense or other amount for the financial advice provided to you or for implementing that advice. Our remuneration is paid by the insurance providers that we place the insurance policy with on your behalf, by way of commission. Our commission range is between 10% - 230% for initial commissions and between 3% - 30% for renewals.

My character

I have no criminal convictions, have not been declared bankrupt, nor have I had any disciplinary or regulatory proceeding or charge brought against me that I am required to tell you about.

My duties

As a Financial Adviser, I must comply with the duties set out in the Financial Markets Conduct Act 2013 (FMC Act) and the Code of Professional Conduct for Financial Advice Services (the Code). This means I must:

- Have the required competence, knowledge and skill and keep this up to date with professional development;
- Give priority to your interests over my own or my employers;
- Exercise care, diligence and skill;
- Meet ethical behaviour, conduct and client care standards.

Conflicts

I manage potential conflict of interest by:

- Disclosing the conflict to you;
- Following my employer's conflicts of interest, gifts and hospitality policies and procedures.

Ongoing advice as your circumstances change

Your insurance protection should be reviewed as things change. It is important that you notify us of changes to ensure the cover still meets your needs.

We will communicate with you prior to your annual renewal to ask if you have had any changes to your circumstances that might require a review.

Every three years, or earlier if your circumstances change, we will conduct a full review of your circumstances, needs and policies.

If something goes wrong

If you have a problem, concern or complaint about any part of my service, please tell me, my employer or my internal complaints manager so that we can try and fix the problem. We will acknowledge your complaint within two working days.
