

TERMS OF BUSINESS

It is important that you read and understand these terms and conditions as they describe the obligations of both you and O'Connor Warren Life & Health Limited regarding the services we provide.

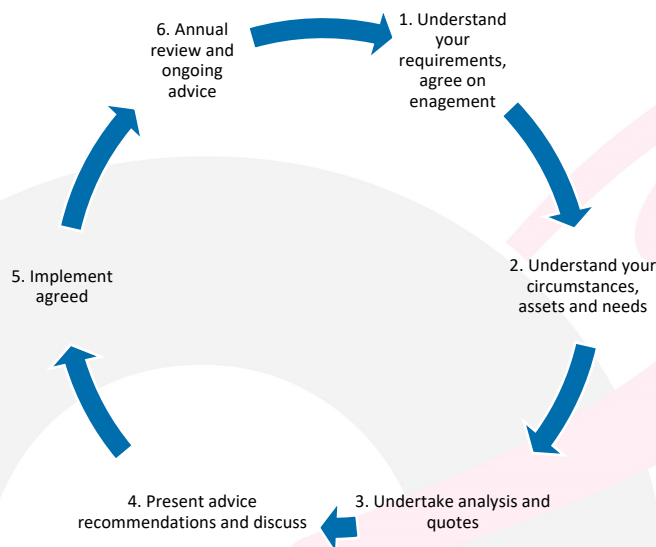

OUR SERVICES

Personal and Business Insurance Planning

We can help tailor an insurance plan for you that ensure you have the insurance protection in place that you need at an affordable cost. You tell us about you and your circumstances and we work with you to develop the right product options for your insurance needs.

HOW WE GIVE ADVICE

We follow a simple six step process when providing advice:

YOUR OBLIGATIONS/DUTY OF DISCLOSURE

You have a duty to disclose everything you know, or can reasonably be expected to know, that is relevant to the Insurer's decision on the acceptability of the risk of insurance and the terms the Insurer would require in accepting that risk. This Duty applies when you first take out your insurance and continues throughout the term of the policy and at renewal. A failure to disclose appropriately may lead to claim declinature and/or your policy being cancelled.

Some examples of information that must be disclosed (but not limited to) includes:

- Your medical history
- Change in circumstances or operation of the business;
- Criminal offences, subject to your rights under the Criminal Records (Clean Slate) Act 2004;
- Previous cancellations or refusal to renew insurance;
- Any unreported claims that may have arisen or is expected to arise

The advice we give is based upon an analysis of the information you provide.

- Please ask me if you are unsure why certain information is being requested.

O'Connor Warren Life & Health Limited will have regard to your circumstances and objectives as provided by you when providing you with a Planning Service. In the event you decline to provide requested information regarding your objectives, financial situation or particular needs to us, or provide incorrect or false information, we can only provide you with a Product Only Advice Service or Transactional Services. Product Only or Transactional Services are based on your request; we will therefore not be providing personalised financial advice to you. What this means is that we will not consider all your relevant personal circumstances such as your current situation, needs, objectives or the appropriateness of your requests with regard to the former when actioning your requests, nor provide advice relating to the merits or subject matter of transactions. Any limitations may mean that the resulting implementation is not totally suitable for your personal circumstances.

Please ask your adviser if you are not sure what type of advice or service you require.

INSTRUCTIONS TO RENEW POLICIES

By confirming the initial placement of your risk programme with O'Connor Warren Life & Health Limited, you agree for your insurer to automatically renew your insurance programme. If you do not intend to automatically renew your insurance policies, confirmation in writing must be received by O'Connor Warren Life & Health Limited prior to your renewal date. In the event we are unable to reach you to discuss your upcoming renewal, your insurer will renew your policies on the expiring coverage limits and sums insured along with any CPI increases that apply unless we confirm otherwise – which may include additional policy conditions and subjectivities. If you require any amendments to the cover or policy details, please contact us immediately.

Unless otherwise stated, we will receive an income by way of commission paid to us by the relevant insurance company. We may also get additional remuneration from some insurers to assist with compliance costs.
